RIYADH INTERNATIONAL CONVENTION & EXHIBITION CENTER  
King Abdullah Road, Exit 10, Riyadh, Saudi Arabia

A Saudi Build Series Event:

SAUDI BUILD

# CONCRETE & FACADE SAUDI ARABIA

## BOOK YOUR SPACE AND SHOWCASE YOUR SOLUTIONS!

Held from **October 6 to 8**, brought together industry experts, manufacturers, and innovators to showcase the latest advancements in construction materials, facade engineering, and architectural solutions. Exhibitors presented cutting-edge concrete technologies, sustainable coatings, insulation systems, and decorative facades, catering to the evolving needs of modern infrastructure. Live demonstrations and expert-led discussions provided insights into durability, energy efficiency, and aesthetic trends shaping the industry.

“Explore smart facade systems, eco-friendly materials, and advanced reinforcement techniques, driving innovation in urban development. The event fostered collaborations and set new benchmarks for excellence in construction and architectural design.”

### EXHIBITOR TARGET GROUPS

Concrete Technologies & Solutions, Facade Systems & Cladding, Construction Chemicals & Coatings, Architectural & Decorative Facades, Structural Reinforcement & Repair Solutions, Smart & Sustainable Building Materials, Machinery & Equipment for Concrete & Facade Work

### VISITOR TARGET GROUPS

Architects & Designers, Construction & Civil Engineers, Real Estate Developers & Contractors, Facade Specialists & Installers, Project Managers & Consultants, Procurement & Supply Chain Professionals, Government & Regulatory Authorities

# CONCRETE MATERIALS & COMPONENTS

## CONCRETE TOOLS & EQUIPMENT

- Mixers
- Concrete Vibrators
- Trowels
- Screeds
- Bull Floats
- Concrete Pumps
- Formwork & Molds
- Curing Blankets & Sprayers
- Concrete Cutters
- Rebar Benders & Tiers
- Concrete Finishes & Treatments
- Sealers & Hardeners
- Stains & Dye
- Epoxy Coatings
- Polished Concrete
- Exposed Aggregate Finish

## CONCRETE

- Aggregates
- Admixtures
- Reinforcement

## CONCRETE TYPES

- Ready-mix concrete
- Precast concrete
- High-strength concrete
- Lightweight concrete
- Self-compacting concrete
- Stamped concrete
- Shotcrete
- Polymer concrete

## CONCRETE STRUCTURES & ELEMENTS

- Footings & Foundations
- Bridges & Overpasses
- Pavements & Roads
- Precast Concrete Products

# FACADE

## MATERIALS & FINISHES

- Glass Panels
- Aluminum Composite Panels (ACP)
- Stone Cladding
- Timber Facades
- Fiber Cement Boards
- Terracotta Cladding
- Metal Cladding
- Brick Veneers
- EIFS (Exterior Insulation and Finish System)

## STRUCTURAL ELEMENTS

- Curtain Wall Systems
- Cladding Panels
- Steel and Aluminum Frames

## FACADE FEATURES & ACCESSORIES

- Louvers & Ventilation Grilles
- Sunshades & Brise-Soleil
- Balconies & Railing Systems
- Decorative Screens & Mesh Panels
- GRC (Glass Reinforced Concrete) Panels
- Perforated Metal Panels
- Facade Green Walls
- LED Facade Lighting

## FACADE FEATURES & ACCESSORIES

- Anchor Systems
- Subframe Systems
- Brackets & Fasteners
- Expansion Joints

## INSULATION & WATERPROOFING

- Thermal Insulation Board
- Breathable Membranes
- Waterproof Coatings
- Sealants & Joint Fillers
